SUBJECT No. 205.

Providing proper accommodation and grant of travelling allowance to Representative Assembly Members.

Messrs D. S. Mallappa, Chikka Thimmegowda, Tiptur Taluk; Anantharajappa, Anantha Laksminaranappa, and Veerappa Gowda, Tumkur Taluk.

Mr. D. S. Mallappa brought to notice that proper accommodation, was not provided for Representative Assembly members. In the Representative Home, facilities were given to only one community.

He added that certain Government publications were given gratis to the Legislative Council members and that the Representative Assembly members should have such publications free of cost. The members of committees, such as Local Boards, District Boards, etc., were entitled to draw travelling allowance and the Representative Assembly members alone were given *lavajama*. He prayed that Representative Assembly members should also be treated like members of the other committees and allowed to draw travelling allowance.

Mr. Karnick Krishnmurthi Rao said that the need for a separate building for the Representative Assembly members was keenly felt. The old and new Sawar lines might be converted into a Representative Home. The question came up for discussion during the time of Sir M. Visvesvaraya. *Mr. Krishnamurthi Rao* was of opinion that instead of giving an honorarium of Rs. 20 or 30, daily allowance might be given and free railway passes also for two or three servants might be made available for the members during the season.

Dewan.—The question of giving facilities will be investigated by the Mixed Committee.

Mr. K. T. Seshaiya.—A representative from Mysore should be allowed the privilege of membership in the Imperial Legislative Council or Council of State, so that the views of the people of this country may be put forth in respect of matters which are common both to British India and our State.
